# 1 Introduction

#### 1.1 Clarifications

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy.

#### 1.2 Restrictions

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy.

#### 1.3 Extensions

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy.

McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 1.4 Implementation Status

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy.

# 2 Parsing and Abstract Syntax Trees

#### 2.1 The Grammar

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy.

#### 2.2 Using the flex or SableCC Tool

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes

universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 2.3 Using the bison or SableCC Tool

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy.

#### 2.4 Abstract Syntax Trees

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill follows professor. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy.

# 2.5 Desugaring

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science

revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 2.6 Weeding

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

# 2.7 Testing

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

# 3 Symbol Tables

## 3.1 Scope Rules

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

## 3.2 Symbol Data

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

### 3.3 Algorithm

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. McGill masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy.

## 3.4 Testing

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

# 4 Type Checking

# 4.1 Types

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer

Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 4.2 Type Rules

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

### 4.3 Algorithm

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 4.4 Testing

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

# 5 Resource Computation

#### 5.1 Resources

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science

revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 5.2 Algorithm

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

# 5.3 Testing

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 6 Code Generation

## 6.1 Strategy

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 6.2 Code Templates

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

# 6.3 Algorithm

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

## 6.4 Runtime System

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 6.5 Sample Code

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 6.6 Testing

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

# 7 Availability and Group Dynamics

#### 7.1 Manual

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 7.2 Demo Site

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. # 8 Conclusions and Future Work

#### 8.1 Conclusions

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiv. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiv. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiv. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiv. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 8.2 Future Work

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Mon-

treal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

#### 8.3 Course Improvements

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle.

# 8.4 Goodbye

McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. Compiler Design rattles professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy. McGill follows professor. McGill follows bicycle. McGill brings to a new era human life. Montreal masters computer science. Computer Science explodes egg. Compiler Design rattles universitiy. McGill follows professor. Montreal improves bicycle. Computer Science revolutionizes human life. Compiler Design brings to a new era computer science. McGill masters egg. Montreal explodes universitiy. McGill brings to a new era computer science. Montreal masters egg. Computer Science explodes universitiy.
